

Emilio Aguinaldo University
Metro Manila, Philippines

Established: 1957

Nearest Airport: Manila Airport

EA College of Medicine is a big player among the medical colleges in the Philippines. The college started in 1951, established an MD program in 2001. Though not the oldest the college leaves no stone unturned in terms of infrastructure and facilities. It has state of the art labs and research facility for every student to practically understand and rehearse in their course duration.
