About Beihua Medical University

Beihua University is a provincial university that was developed in 1906. It was founded after the union of 3 campuses in 1999 and has now emerged as best medical university in china extending into 4 campuses with total area occupancy of 1,263,700 square meters.

For the students who wanted to do mbbs in china, this university is a perfect choice. Set up in 1949, the Beihua University Faculty of Medicine comprises of seven colleges and one Centre of Life Science Research. Besides, it has four main hospitals and 42 practice centres with more than 10000 beds. It is impressive to see that the university houses nearly 1345 staff including teaching and administration. Among these are 426 full-time teachers, of which there 100 professors and associate professors. The university is known to recruit over 4,000 students which includes 240 overseas students in clinical medicine course, all coming from Canada, the US, Australia, Saudi Arab, Qatar, Pakistan and other parts of the world. This university turns out to be the best place to study mbbs in china since the university's Faculty of Medicine encompasses two world class labs built by the central government in association with Jilin Province, two empirical teaching demonstration bases, nine major labs of Jilin Department of Health. In fact, the key areas in Jilin Province include Internal Medicine, Clinical Laboratory Diagnostics, Clinical Laboratory and Cardiovascular Medicine. The university is like a relief for students who are opting to study mbbs from china since the MBBS program taught in English here is approved by the MOE of China. Following which there are nearly 60 seats for medical students. The University serves to be the most distinguished medical universities for indian students in china, for, it is recognized by WHO. Also, the MBBS program graduates from here are entitled to undertake the Medical Licensing Examinations held by the renowned medical councils in various countries like MCI, PMDC, USMLE, HPCSA and SCHS among others.
