

Sichuan University

With rich historical legacy and illustrious background, Sichuan University is located in the heart of the capital of Sichuan Province, Chengdu, in China. It is extensively spread across extending into three campuses namely Wangjiang, Huaxi and Jiang'an.

About Sichuan University

Governed by State Ministry of Education, Sichuan University was formed after Chengdu University of Science and Technology and West China Union University, the oldest universities in China got merged.

The prestigious university homes an impressive number of over 11,000 staff, of which 1,323 are professors, 2,345 associate professors, 13 academicians of Chinese Academy of Sciences and Chinese Academy of Engineering, 434 tutors of doctoral students, and 17 members of the Academic Degrees Committee and the Discipline Appraisal Group under the State Council.

Sichuan University offers more than 500 degree courses, covering various disciplines such as medicine, humanities, art, engineering, science, economy, law, management, history, and philosophy, among others. With 34 colleges under it, the university provides 138 undergraduate programs, 438 master programs, 32 professional master's programs, 354 doctoral programs, and 37 post-doctoral research centres. Besides, it covers 46 national major training and 4 national major refined training programs.

With no doubt, Sichuan University is the right choice to pursue mbbs in china. As some of the university's campuses include 4 libraries and exceptional laboratories that are beneficial for research work pertaining to biology and medicine. Sichuan University boasts of robust associations and exchange programs with nearly 250 leading international institutions and research universities covering 34 countries and other regions. Looking at these impressive factors, we truly believe this university is the most reliable medical colleges in china for indian students, especially.

One of the important aspects about Sichuan University School of Medicine, now known as Huaxi campus, is that it enjoys indomitable status among other medical universities in china. Founded in 1910, it was spearheaded by five Christian missionary groups coming from UK, the US and Canada. It offers specialised courses in basic medicine, clinical medicine, biomedicine and stomatology.
