About Southwest Medical University

Located in one of the popular, historical and culturally rich Chinese cities, Luzhou, in Sichuan Province, Southwest Medical University (SWMU) is a comprehensive institution for higher education.

Comprising of two campuses, Chengbei and Zhongshan,

SWMU has greatly evolved and developed since its inception along with the progression of People's Republic of China and moving ahead with the advancements of its staff and students, emerging as the best medical universities in china. It has flourished into a significant center for training and scientific reformation in Sichuan, besides health care base in 3 provinces and a municipality. The university is the best choice to pursue mbbs in china for Indian students particularly as it has given wings to more than 100,000 talents in various specialized fields, of which majority of the graduates are working in good positions in medical and health oriented arenas in Chongqing and Sichuan. Students who are keen to get medical admission in china, need to apply SWMU for sure, since the university is known to have molded graduates to make inspiring contributions to the world of medicine as well as for the augmentation of health care and society.

SWMU comprises of four academic disciplines pertaining to Master's degree, more than 5 first class disciplines, over 40 secondary disciplines, 7 foundation courses for professional degree, one key discipline of the State Administration of Traditional Chinese Medicine and over 5 provincial major disciplines. The university offers more than 20 undergraduate programs in seven disciplines including: medicine, engineering, literature, management, science, education and law. Of these, Clinical Medicine tops in ESI Global Ranking. SWMU also encompasses three major discipline sets – Pre-clinical and Transnational Medicine of Oncology, Pre-clinical and Clinical Cardiovascular Diseases, and Pre-clinical and Clinical Medicine of Integrated Traditional Chinese Medicine with Western Medicine.
